Title : Need to bring legislation waving off 5% limit on appointments given on compassionate grounds to the wards of Central Government employees.

SHRI P. RAJENDRAN (QUILON): Sir, there is a provision in the Central Government rules to give appointments on compassionate grounds to the wards of Central Government employees who died in harness. This is limited to five per cent of the recruitment. By and large the wards are given employment in the Departments in which the officials were working at the time of their death.

There are thousands of applications pending requesting for appointment on compassionate grounds. The Departments concerned now seems to be working on how to deny these appointments on compassionate grounds.

Sir, in the present circumstances when large scale appointments are not taking place, it is necessary that the five per cent condition is removed. Since the order is based on a judgement of the Supreme Court, the Government should take necessary steps to get the present rules changed through a legislation. I would like to urge the Government, through you, to take the initiative in this matter at an early date. This should be done as part of a social security measure and also on humanitarian ground.

MR CHAIRMAN: The House now stands adjourned tilll Eleven of the Clock on Monday, December 19, 2005.

18.23 hrs.
